

Instructions on Wearing Beesure Vibe Disposable Face Masks

Step 1

Ensure the Beesure logo and coloured side of the mask is facing outward.

Step 2

Pull the anti-fog inner flap up and pre-mold the top metal strip.

Step 3

Position elastic loops behind ears.

Step 4

Mold the top metal strip to the bridge of the nose, then pull the bottom portion of the mask past your chin and secure the bottom metal strip.

Note: Change mask frequently and do not reuse.
