

Checklist

Needs work
Never/
No

Getting there
Sometimes/
Maybe/ Not Sure

Achieved
Always/
Yes

Physical

I can suck in and blow out my tummy

I can sit on the floor without external support

I can hold my breath

When supported in a seat/standing device I can extend out my arms to reach for things i.e. swiping at bubbles

Physical
Score

Cognition

I can reply (verbally or non verbally) to basic conversation. Do you want to go to the park? Is that the toy you want?

I know what pee and poo are

I am able to order things i.e. matching colours, differentiating big & small or similar concepts

I can imitate actions (clapping, face pulling etc.)

Cognition
Score

Social

I can maintain attention to a task for more than 3 minutes

I seem interested in the toilet

I like to try new activities

I respond positively to praise

Social
Score

Sensory

I recognise when my nappy is wet or soiled either through signs of discomfort or by indicating to you

I know the difference between wet and dry i.e. getting out of the bath, caught in the rain, spilling juice

I appear comfortable when passing poo

I can indicate my own needs (verbally/non verbally) i.e. when I am hungry or thirsty, have a sore tummy
